

Automation Sensors, Inc. is your source for a wide range of industrial sensing and control products. We offer you the kind of expertise, dedication, and value added service you thought no longer existed. Rely on us for reliable electronic sensing solutions for your machine automation, product inspection, material handling, process control, and personnel safeguarding applications.

Stocking distributor for the following sensors:

- Laser
- Proximity
- Color
- Capacitive
- Flow
- Level
- Vision
- Encoders
- Ultrasonic
- Photoelectric
- Fiber Optic
- Inductive
- Linear Distance
- Pressure
- RFID
- Safety Sensors
- Plus much more...

Specializing in the following industries:

- Converting
- Printing
- Ag Equipment
- Plastics
- Packaging
- Food Processing
- Bulk Material Handling
- Machine Manufacturing
- Plus many more...

Rely on us to help you:

- Enhance Productivity
- Improve Safety
- Increase Quality
- Lower Costs

In addition to these manufacturers, we have access to numerous others. Don't spend your valuable time searching the internet for a hard to locate product or a solution to a difficult sensing application, rely on us!
